

Privacy statement Teboza Works

Version 0.1

This page was last modified on 24-05-2018.

We are aware that you put your trust in us. We therefore consider it our responsibility to protect your privacy. This page informs you about which information we collect when you use our website, why we collect this data and how we use this data to improve your user experience. This will help you understand exactly how we operate.

This privacy statement applies to the services of Teboza Works. Please be aware that Teboza Works is in no way responsible for the privacy statements of other sites and sources. By using this website you accept the privacy statement.

Teboza Works respects the privacy of all users of its website and will ensure that the personal data provided to us is treated confidentially.

How we use collected data

Use of our services

When you register to use one of our services, we ask you to provide personal data. This data is used to perform and provide the service. The personal data is stored on the own secure servers of Teboza Works or on a third-party server. This data will not be combined with other personal data we hold.

Communication

When you send us an e-mail or other messages, we may possibly store those messages. We may sometimes also request personal data from you that is relevant to the situation concerned. This will enable us to process your requests and answer your questions. The personal data is stored on the own secure servers of Teboza Works or on a third-party server. This data will not be combined with other personal data we hold.

Cookies

We collect data for analytical research purposes to obtain a better picture of our customers, so that we can optimise our services accordingly.

This website uses "cookies" (text files placed on your hard drive) to help the website analyse the browsing behaviour of users of the website. Information generated by the cookie about your browsing behaviour on the website can be transferred to the own secure servers of Teboza Works or a third-party server. We use this information to record your browsing behaviour on the website, to compile reports on website activity and to offer other services relating to website activity and internet use.

Purpose

We do not collect or use data for purposes other than those described in this privacy statement unless we have obtained your prior consent.

Third parties

The data will not be shared with third parties. The data may be shared internally in some cases. Our employees are under the obligation to respect the confidentiality of your data.

Amendments

This privacy statement is tailored to the use of and the possibilities on this website. Any amendments and / or changes to this website may result in modifications to this privacy statement. We therefore advise you to consult this privacy statement regularly.

Options for personal data

All visitors to the website are offered the opportunity to view, change, or delete all personal data that is provided to us at that moment.

Change/unsubscribe from newsletter

You can unsubscribe from our newsletter, or change your personal data, using the link in each mail.

Change/unsubscribe communication

If you wish to change your personal data, or have your personal data deleted from our files, please contact us using the contact details below.

Disabling cookies

Most browsers enable cookies by default, but you can reset your browser to refuse all cookies or to indicate when a cookie is being sent. However, some features and services on our and other websites may not function properly if cookies are disabled in your browser.
